UPDATED 10/23//2013

website: www.appraiser.ne.gov/

TENTATIVE – Additional courses and seminars are added as notified by providers.
(Changes and cancellations may occur)

Correspondence courses are not approved for core curriculum education

CE = continuing education seminar. CE seminars must be at least 2 hours in length.

Core Curriculum education must be tested and a minimum of 15 hours in length and AQB/CAP approved to receive credit.

Core curriculum education completed without meeting these qualifications will not be credited toward earning a credential.

(Core Curriculum and Qualifying Education hours also apply for continuing education credit)

The Board's four-digit or five-digit education number is used to determine duplication of content between education offerings.

Education cannot be awarded when an individual duplicates education. A course or seminar cannot be repeated for a period of four (4) years with USPAP as the exception.

Only 14 hours of online approved education is allowed each continuing education period. Approved seminars are located at the end of class schedule listing.

USPAP online IS NOT approved by the State of Nebraska.

15-hour National USPAP course will not replace the 7-hour National USPAP Update seminar!!!

This is a tentative schedule of available education activities. Please note there may be offerings that are not listed on this calendar. Check with the education provider.

Please be advised that all approvals of online courses are contingent upon the maintenance of a valid IDECC approval. If this IDECC approval is not kept current by the provider, the course is considered to be invalid.

EDUCATION POLICY

The Nebraska Real Property Appraiser Board adopted the following policy on January 17, 2008. The policy reads as follows: "All qualifying core curriculum education courses provided on or after January 1, 2008 to those applying for credentials under the 2008 AQB criteria must be in modular format and have CAP approval from the AQB and courses attended and passed prior to January 1, 2008 and submitted by a credential applicant after January 1, 2008 that is not AQB/CAP approved to meet the 2008 criteria must include a topic matrix and will be considered on a case by case basis by the Board."

REPORT WRITING UPDATE

The Nebraska Real Property Appraiser Board adopted the following policy on June 19, 2008. The motion reads as follows: "To require all credentialed appraisers complete at minimum an appropriate report writing seminar update once every four years beginning January 1, 2009. The 15-hour core curriculum report writing course will not meet the update requirement and the update seminar cannot be completed on-line. The update will be a seven hour seminar and the criteria for implementation for the update class will be submitted to the Board prior to approval of an update seminar." Approved report writing update seminars: C2985 (Com.), C2949 (Agri.), C2902 (Res.), C21002, C21102, C21202, C21035 (General)
