E. DIRECTOR'S REPORT

Director Kohtz presented fourteen charts outlining the number of appraisers and AMCs as of May 17, 2012. The Director summarized each chart and reported the number of appraisers as follows: 86 total Licensed, 79 resident and 7 reciprocal; 205 total Certified Residential, 172 resident and 33 reciprocal; 366 total Certified General, 261 resident and 105 reciprocal; and 16 Registered for a total of 673 appraisers. Total number of appraisers is up 4 from April, but significantly down from the 761 in May 2011 due to the drop in the number of Registered/Conversion appraisers. After a drop between December 2011 and January 2012 due to renewals, the number of appraisers is currently trending upwards slowly.

Director Kohtz then reported on the historic appraiser counts between 2000 and 2011. The number of appraisers held steady during the first part of the decade. Between 2007 and 2010, Certified General and Certified Residential experienced an upswing, but have slowly dropped since 2010. The number of Licensed appraisers has slowly declined since 2007. The Board discussed these statistics and attributed the drop in the number of appraisers to the current economic conditions and the increase in requirements to become credentialed.

The Director also addressed the number of temporary permits issued, which has held steady during the previous twelve month period, and during the previous five year period. In addition, Director Kohtz reported 73 AMCs are registered, and 3 new AMC applications have been submitted since the last meeting.

Finally, Director Kohtz brought notice to the board packet preparation process. Preparation will now begin on Tuesday, the week before the meeting, to ensure that the packets are to the board members early enough for adequate review.

F. FINANCIAL REPORT – APRIL 2012

The receipts and expenditures for April were reviewed by the Director by line item with the Board. For the appraiser fund, #25310, a total of \$26,517.58 in expenditures and \$4,385.23 in receivables were reported. For the AMC fund, #25320, a total of \$646.00 in expenditures and \$5,408.61 in receivables were reported. Considerations were made for expenditures for monthly obligations. No considerations were made for expenditures other than monthly obligations. As of the end of April, expenses amount to 74 percent of the budgeted expenditures for the fiscal year. Director Kohtz presented three charts outlining the Agency twelve month expenses and revenues, historic cash balance, and twelve month cash balance.

Director Kohtz also reported on the increases in agency expenses for the months of September 2011, November 2011, and February 2012 as requested by Board Member Kubert at the April meeting. Finally, the Director brought attention to the drop in AMC revenue, and mentioned that the revenue should stabilize during the next few months. A copy of the Budget Status Report and Receipt Journal for April is attached and considered part of these minutes.

Board Member Kubert moved to accept and file the April 2012 Budget Status reports for receipts and expenditures for audit. Board Member Barkley seconded the motion. The motion carried with Woodle, Hartman, Barkley, Kubert and Moore voting aye.
