H. DIRECTOR'S REPORT

Director Kohtz presented ten charts outlining the number of appraisers and AMCs as of August 22, 2013. The Director summarized each chart and reported the number of appraisers as follows: 84 total Licensed, 77 resident and 7 reciprocal; 215 total Certified Residential, 177 resident and 38 reciprocal; 379 total Certified General, 256 resident and 123 reciprocal; and 11 Registered for a total of 689 appraisers. The total number of appraisers is up 3 from July.

The Director also addressed the number of temporary permits issued. There were 11 permits issued in July compared to 12 permits issued in June. Director Kohtz indicated that the number of temporary permits issued continues to hold steady during 2013. Finally, Director Kohtz reported 101 AMCs registered, and 3 new AMC applications have been submitted since the last meeting.

I. FINANCIAL REPORT – AUGUST 2013

The receipts and expenditures for July were reviewed by the Director by line item with the Board. Director Kohtz provided details related to some specific July expenses. For the Real Property Appraiser Program, which includes both the appraiser fund and the AMC fund, a total of \$20,727.69 in expenditures and \$8,865.32 in revenues were reported. As of the end of July, expenses amount to 5.32 percent of the budgeted expenditures for the fiscal year; 8.49 percent of the fiscal year has passed. Director Kohtz also brought attention to the General Ledger Report. The Director informed the Board that because of the new Appraiser Fund/AMC Fund allocation procedure, expenditures are reported twice on the General Ledger Report; once for the Appraiser Fund and once for the AMC Fund. Considerations were made for expenditures for monthly obligations. No considerations were made for expenditures other than monthly obligations. Finally, Director Kohtz presented three charts outlining the Agency twelve month expenses and revenues, historic cash balance, and twelve month cash balance.

Board Member Kubert moved to accept and file the July 2013 Budget Status reports for receipts and expenditures for audit. Board Member Woodle seconded the motion. The motion carried with Langemeier, Terrell, Woodle, Kubert and Barkley voting aye.

L. UNFINISHED BUSINESS

- 1. COUNTY APPRAISER CONTRACTS UPDATE:** Compliance and Licensing Specialist Weir is in the process of reviewing the Tax Equalization and Review Commission exhibits for the 2013 Statewide Equalization Proceedings, and will present the findings to the Board when completed.
- 2. NEW CREDENTIAL UPDATE:** No update.
- 3. REQUEST FOR AMC REPRESENTATION ON 2015 LAW REWRITE COMMITTEE:** Donald Kelly with REVAA, a trade organization representing AMCs, made a written request for a position on the 2015 Law Rewrite Committee. The Board discussed Mr. Kelly's request, and concluded that it will not establish an official committee for the review, but instead construct a panel of appraisers and professionals to review the drafts and offer comments to the Board for consideration. The Board also concluded that any person is welcomed to provide comments regarding the drafts once they are made available for public comment. The Board asked staff to provide a response to Mr. Kelly informing him that because of the openness of the panel, he will not be an official member, but his input and thoughts are welcomed.

M. NEW BUSINESS

- 1. BOARD AND STAFF MEMBER AIRLINE TICKET REIMBURSEMENT:** The agency purchase card has been utilized by staff and board members for airline ticket purchases. A discussion took place regarding the need for a Board Policy concerning airline ticket reimbursement and purchase card use. Director Kohtz indicated that it does not affect operations either way, so the decision is left up to the Board. The Board found no reason to establish a Board Policy regarding airline ticket purchases. Board members and staff can choose to pay for the ticket and be reimbursed, or have staff book the flight with the agency purchase card.

- 2. CAP APPROVAL FOR QUALIFYING EDUCATION COURSES:** Discussion took place regarding CAP approval for elective qualifying education courses. Director Kohtz reported on his review of the statutes and rules to the Board. The Director believes that elective courses are required to be CAP approved due to language in Title 298 that includes appraisal subject matter electives as core curriculum. Board Member Kubert indicated that the Board has not interpreted the language in Title 298 this way, and believes that core curriculum courses are those identified by The Appraisal Foundation Appraisal Qualifications Board in Guide Note 1 of The Real Property Appraiser Qualifications Criteria. Board Member Kubert presented language for a Board Policy to be considered by the Board. Board Member Kubert made a motion to approve Board Policy 13-11, specifying that elective qualifying education is not required to be AQB approved. The motion was seconded by Langemeier, and carried with Woodle, Langemeier, Terrell, Kubert and Barkley voting aye.
- 3. CONTINUING EDUCATION REQUIREMENTS FOR RECIPROCAL CREDENTIAL HOLDERS:** No discussion took place.
- 4. FREEDOM OF INFORMATION ACT REPORT:** At the July meeting, Director Kohtz was charged with researching the effects of the Freedom of Information Act (FOIA) on the Board's confidentiality and public information policies. Director Kohtz reported that FOIA has no effect on the Board's confidentiality and public information policies; it is only applicable to federal government entities. When establishing confidentiality and public information policies, the Board must adhere to state statute.
- 5. APPRAISAL FOUNDATION INVESTIGATOR II TRAINING REPORT:** Board Member Kubert and Compliance and Licensing Specialist Weir attended Investigator II training in Chicago, IL from August 13th through August 17th. The two provided the Board a summary of their experience and topics covered. Both felt that the training was time well spent, but not as beneficial as Investigator I training. Some of the positives include the opportunity to meet Dennis Badger and discuss common compliance issues with other state representatives. Unfortunately, a large portion of the training was reviewing what was covered in Investigator I training, which was completed by Board Member Kubert and Compliance and Licensing Specialist Weir in June. Compliance and Licensing Specialist Weir also reported on the positive reviews the ASC has of Nebraska's program. One policy manager said that the policy managers that conducted the audit anticipated problems due to staff turnover, but were very impressed with the Board's functions. Board Member Kubert commented that he was surprised by how many non-appraiser attendees there were.
- 6. MANDATORY CREDENTIALING FOR REAL PROPERTY APPRIASAL EXPERIENCE CREDIT:** After the Appraisal Subcommittee audit was completed on July 18, 2013, an email was received from Mr. Fenchietti inquiring about mandatory trainee status in the State of Nebraska. Mr. Fenchietti indicated that because one is required to be credentialed to exercise judgment in arriving at the analyses, opinions, or conclusions concerning real estate or real property, and there are five levels of credentialing, anyone attempting to gain experience that exercises judgment concerning real estate or real property is required to be credentialed under the Real Property Appraiser Act.

Director Kohtz researched the references made by Mr. Fenochietti, and presented a report to the Board detailing his findings concerning credentialing requirements for real property appraisal experience credit. When all statutes and rules related to experience requirements, and the ability to engage in real property appraisal activity in the state are read together, the conclusion reached by the Director is that a person must be credentialed in order to acquire experience for credentialing as a licensed residential, certified residential, or certified general real property appraiser. If a person engages in any act or process of developing an analysis, opinion, or conclusion relating to the value of specified interests or aspects of identified real estate or identified real property for a fee or other valuable consideration, he or she must be credentialed under the Act; therefore, only experience hours obtained as a real property appraiser meets the statutory requirements for experience. If one does not hold a credential as a licensed residential, certified residential, or certified general real property appraiser, one must hold a credential as a trainee real property appraiser.

Director Kohtz also outlined an implementation plan for the Board to consider. The first step will be establishing a notification period to allow those currently in the process of obtaining experience time to come into compliance with the Act. A memo from the Board will be sent and information will be placed on the website. The deadline for obtaining a credential as a trainee real property appraiser for the purpose of acquiring experience for credentialing shall be January 1, 2014. Any experience obtained after January 1, 2014, must be as a credentialed real property appraiser. All experience acquired outside of the State of Nebraska, must be obtained in compliance with the Nebraska Real Property Appraiser Act.

Board Member Langemeier requested that the Board consider a Board Policy addressing this reinterpretation of the Real Property Appraiser Act. Board Member Kubert made a motion to approve Board Policy 13-12, requiring credentialing as a real property appraiser for any appraisal experienced obtained after January 1, 2014, and approve the implementation plan outlined by Director Kohtz. The motion was seconded by Board Member Woodle, and carried with Langemeier, Terrell, Woodle, Kubert and Barkley voting aye.

7. **MEMO FROM THE BOARD – 2013 CREDENTIAL RENEWAL PROCESS:** Director Kohtz presented a *Memo From the Board* addressing the 2014 credential renewal process and outlining changes to continuing education requirements for reciprocal credential holders. Due to the Board's interpretation of Neb. Rev. Stat. § 76-2236, the requirements for reciprocal credential holders are changing this year. In the past, a reciprocal credential holder must have met his or her jurisdiction's latest continuing education requirements. In the future, all Nebraska credential holders will be required to meet the continuing education requirements of Nebraska. Director Kohtz also outlined a plan to establish continuing education periods for reciprocal credential holders in the memo. The Board indicated that blending the 2014 credential renewal process and explaining the changes to continuing education requirements for reciprocal credential holders is too difficult to follow in one memo. Director Kohtz was asked to split the memo into two separate memos; one addressing 2014 credential renewal process, and one addressing changes to continuing education requirements for reciprocal credential holders. Director Kohtz indicated that he would split the memo into two separate memos. Board Member Kubert made a motion to approve two *Memos From the Board*, one addressing 2014 credential renewal process, and one addressing changes to continuing education requirements for reciprocal credential holders. In addition, both memos will be reviewed by each board member prior to sending. Seconded by Terrell, and carried with Woodle, Langemeier, Terrell, Kubert and Barkley voting aye.

8. **OCTOBER BOARD MEETING DATE:** Due to the attendance of the AARO Conference October 19th through 22nd by board members and staff, the Board wanted to consider a different date to hold the October board meeting. Chairman Barkley and Director Kohtz recommended October 10th. Board Member Kubert made a motion to move the board meeting scheduled for October 18, 2013 to October 10, 2013. The motion was seconded by Board Member Langemeier. With no further discussion, Chairman Barkley called for the vote. The motion carried with Woodle, Langemeier, Terrell, Kubert and Barkley voting aye.
9. **SEPTEMBER BOARD MEETING DATE:** Due to a scheduling conflict for Compliance and Licensing Specialist Weir, Director Kohtz requested that the Board consider moving the September board meeting to another date. The Board saw no issues with this and agreed on September 18th. Board Member Kubert made a motion to move the board meeting scheduled for September 19, 2013 to September 18, 2013. The motion was seconded by Board Member Langemeier, and carried with Terrell, Woodle, Langemeier, Kubert and Barkley voting aye.
10. **STAFF MEMBER RESPONSIBILITY CHANGES:** Director Kohtz informed the Board that the education duties have been shifted from the Compliance and Licensing Specialist position to the renamed Business and Education Specialist position to allow more time for the Compliance and Licensing Specialist position to focus on the investigative process. No further discussion took place.

Break from 1:54 p.m. to 2:05 p.m.

1. **NEBRASKA REAL PROPERTY APPRAISER ACT DRAFT:** Director Kohtz presented the drafted changes to the Real Property Appraiser Act to the Board for review. The Director went through the act from top to bottom and noted specific requests made by Chairman Barkley and Compliance and Licensing Specialist Weir. Board Member Kubert requested that all the definitions be updated to match the latest edition of USPAP. Director Kohtz responded that this will be completed. No further requests were made during the review. The Board received information from Diane Moore concerning proposed Board Policy 13-03. Director Kohtz asked that the Board hold the policy until September, so that he has the opportunity to better review Ms. Moore’s information.

Discussion took place regarding Board Policy 13-08, which defines “true copy” of an appraisal report. During review of the policy after the July meeting, Director Kohtz found some language issues with the policy. Director Kohtz reported that the policy was lacking reference to the workfile associated with any appraisal report. The revised policy addresses this issue. Board Member Kubert asked that “and” be placed between “examples, photos”, “including” be placed between “and organization”, and finally, “of materials” be placed after “presentation.” The Director indicated that these changes will be made.
